INVOLVEMENT

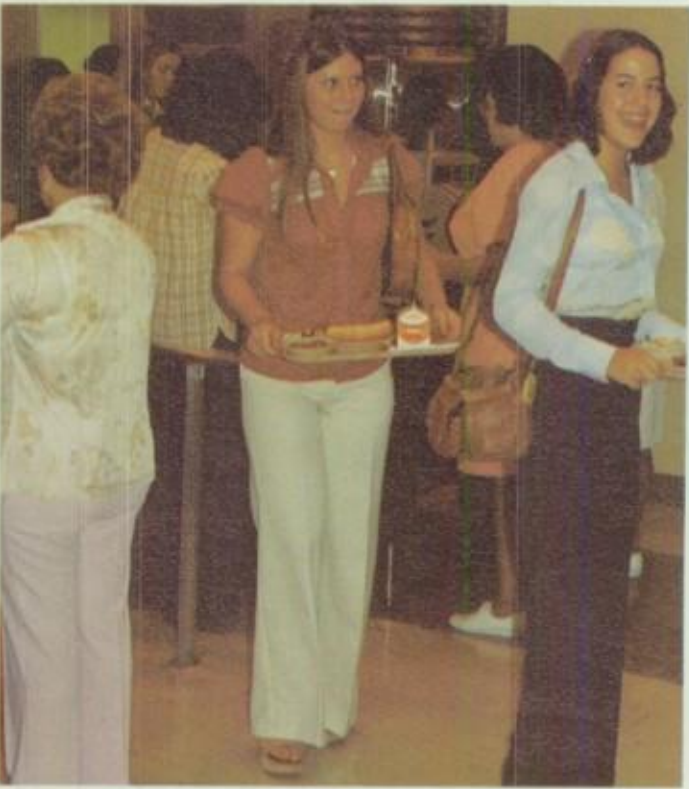

Celebrate involvement, from faithfully attending classes and club meetings, to the activities of the commissioner general.

Around us and within us is life. Inwardly, we're all charged with the anticipation of being involved in student life and involved with each other.

Outwardly, only some show their presence.

Celebrate both kinds of involvement
... Celebrate participation in AHS.

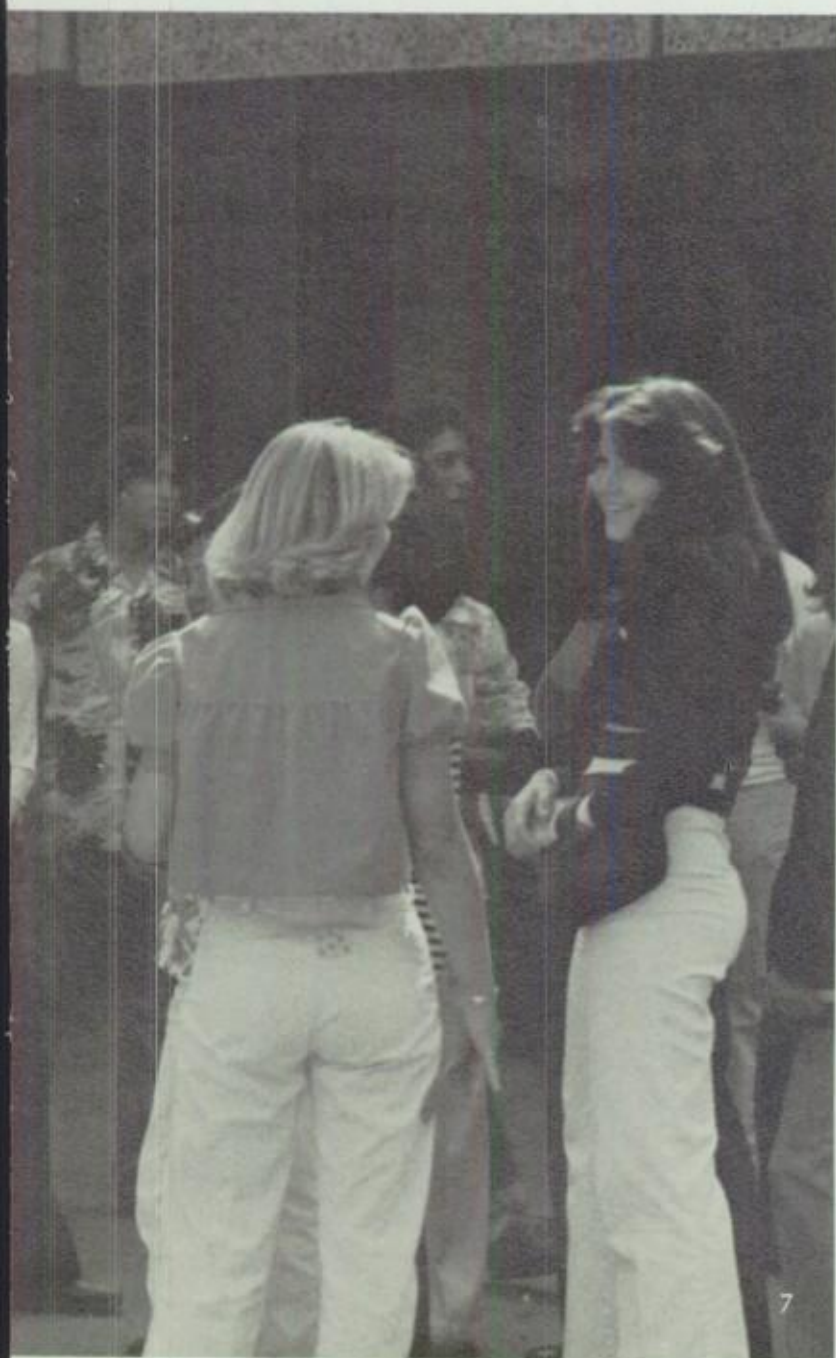

Freshmen Enter Moordom With Anticipation

With the help of the Girls' League Big/Little Sister Program, the class of 1979 crossed the threshold into Moordom. Because of the program, freshman girls were given a chance to get acquainted with their older, more experienced classmates.

The Big/Little Sister Program began before school ended in June '75. Senior, junior, and sophomore girls who wished to be a Big Sister filled out information cards.

On Orientation day, the Big and Little Sisters met one another at a picnic held at Alhambra Park. The girls got acquainted while the GL Board provided entertainment. A skit, "All My Freshmen," featuring Super Sis, provided comic relief for the confused fillies and made the entrance into Moordom a little easier.

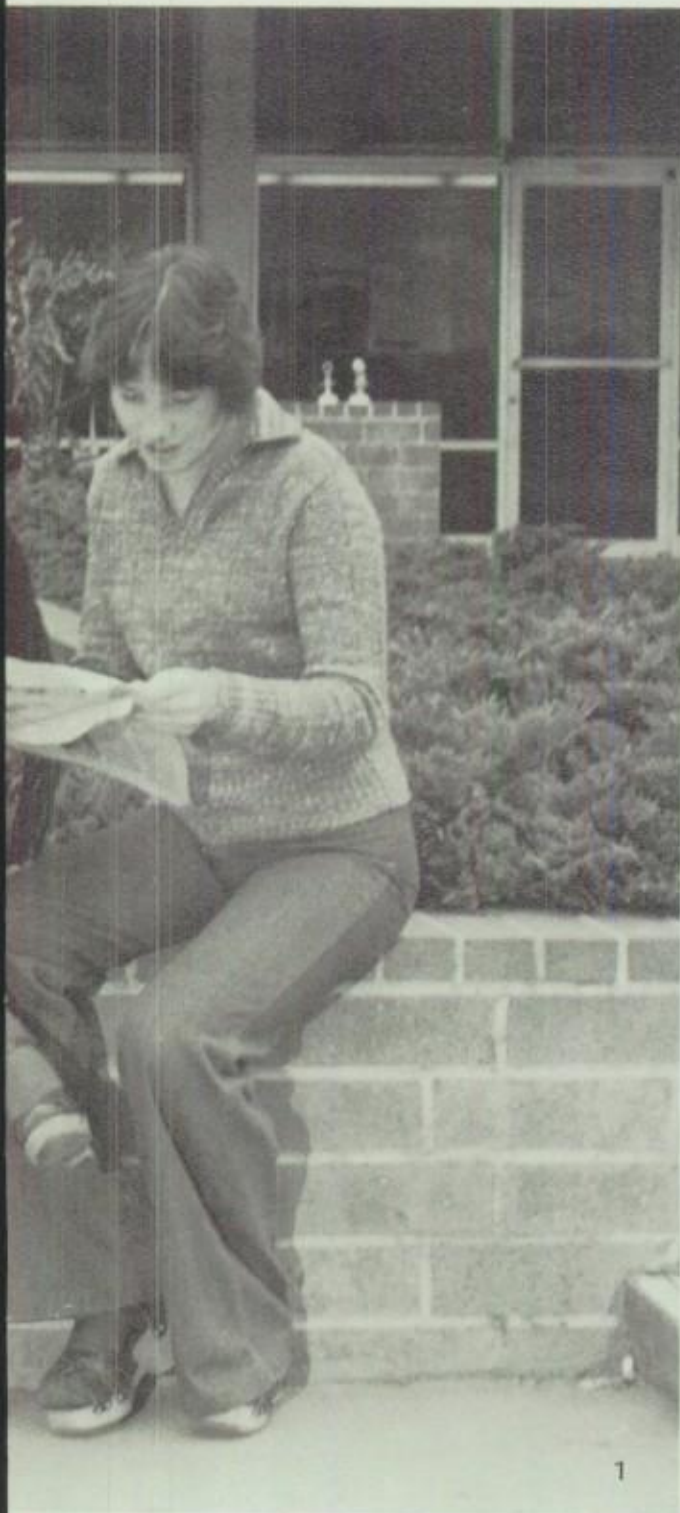

1) Freshmen receive a formal introduction to AHS en masse. 2) Commissioner exhibits school spirit to freshmen. 3) Orientator directs newborn Moors to the bulletin. 4) Confused freshmen ponder their upcoming high school years. 5) Freshmen peer into student cafeteria and learn to "Keep Doors Closed." 6) Bewildered freshmen explore school grounds for the first time. 7) Tour guide is overcome by futility.

AFS Bridges Distant Cultures

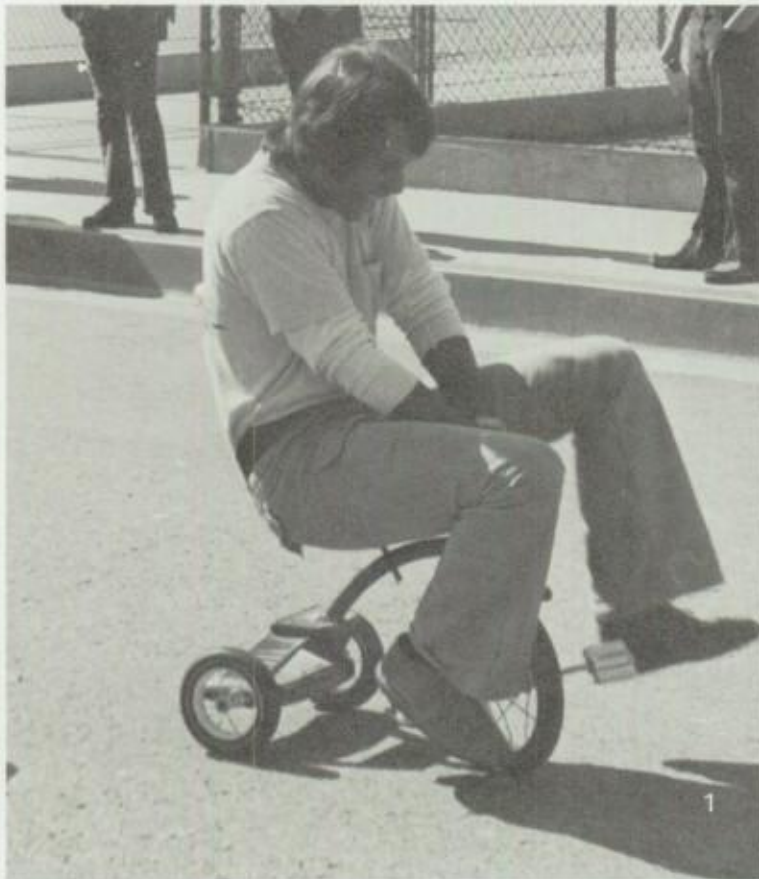

From the romantic countries of Austria and France, Doris Martinz and Laurence Mouton arrived with wonder and anticipation of their new life at AHS. During their visit, Laurence lived with Mr. and Mrs. Robert E. Brown, while Doris stayed with Debbie Thompson and her family. Both girls noted that the "pace" of the Alhambran school life was unusual, for they had never experienced running between classes to lockers, and then to sitting still in a room for fifty long minutes. Laurence and Doris spent time participating in a number of extra-curricular activities and in sharing their cultures with the students of Alhambra. Alhambra gave its friendship in exchange and received a receipt of memories.

Seniors Cami Blancheri and Karen Kirby represented Alhambra High School and the United States this summer as American Field Service Students. Each lived two months in their countries; Cami in Brazil and Karen in Turkey. They both found it easy to adapt to their different life styles and developed an appreciation for other countries' customs. As the girls look back, they feel this was one of the greatest learning experiences of their lives.

1) The four AFS students discuss articles in *THE MOOR*. 2) Doris Martinz of Austria smiles, as she stands by the campus gates. 3) Doris and Laurence take notice of the AHS events. 4) Karen Kirby discusses her experiences in Turkey with Cami and Doris. 5) Laurence Mouton of France watches the school activities taking place around her. 6) Cami and Karen reminisce about their experiences in the countries they visited.

1) Senior Steve Rosen finishes first in the Commission-sponsored trike race. 2) Water balloon tossers join in the spirit of the Homecoming festivities. 3) The '75-'76 Homecoming Court anxiously await the outcome of the El Rancho game. 4) Kevin Kelly double 'hotdogs' on skateboards. 5) New pep squad shares memories with old pep squad. 6) Fathers look on with anticipation as the '75-'76 Homecoming Queen is announced.

Homecoming Reflects "Spirit of America"

Two hundred memories ago on October 17, 1975, Alhambra High School celebrated its Homecoming, "The Spirit of America," a salute to our nation's bicentennial birthday. The event was a star spangled spectacle with a parade led by the Moor band and drill team. Following, were floats of yesterday; "Liberty Rings," "Pioneers of Yesterday," "History Repeats Itself," and "Spirit of America is People Together." Pep squads from the past returned to the present in a parade of spirit and glory. Homecoming was a night filled with a mixture of sentiment and celebration...

And that's the way it was!

1) As Principal Donald McGuigan announces the '75-'76 Homecoming Queen, Francie Meyer and her father express their surprise and joy. 2) Homecoming Queen Francie Meyer poses with her court. 3) Clothed in regal attire, Queen Francie Meyer reigns over the second half of the game from her royal throne. Princesses of Bicentennial Homecoming: 4) Lynne Hoshide. 5) Tammie Katayama. 6) Gail Mar. 7) Trina Norgard.

Queen Francie Reigns Over Homecoming

The launching of a thousand brightly colored balloons brought excitement to the climax of the evening, the crowning of the '75-'76 Homecoming Queen. Emerging from a Datsun Z, the red carpet was rolled out for the princesses, each escorted by her father. Adding to the memories of the evening, last year's queen, Donna Salazar, presented the traditional bouquet of roses to the new queen, Francie Meyer. With a beautiful and radiant smile, Francie presided over the second half of the game along with her court: princesses Lynne Hoshide, Tammie Katayama, Gail Mar, and Trina Norgard.

Moorettes Thrill Audiences With Performances

When the sound of "Attention! Attention!" is heard, one can be sure it is the '75-'76 Moorettes at work. As a result of many hours of practice after school and in their own gym period, the

Drill Team presented dazzling performances at games, assemblies, and a PTA meeting on October 23, 1975. The Drill Team leaders, after having attended a summer camp-clinic, composed new and unique routines to the tunes of popular songs. Under the direction of a new advisor, Camilla Anneke, the Moorettes displayed their talents in parades and competitions.

Because of the school's lack of funds, the AHS Drill Team could not perform on their own home field, and initiated fund raising projects to rent buses for transportation to performances away from home.

The Moorettes performed at football and basketball halftimes with precision and overall excellence; but the hours of work that went into each performance were hidden behind the vibrant smiles of each member.

1) Moorettes display discipline as they line up in their ranks. 2) DRILL TEAM LEADERS: Karen Nakatani, Janet Iwamoto, Kim Takeda. 3) Leaders Kim Takeda and Janet Iwamoto lead the Moorettes down the aisles to a thrilling performance at the homecoming assembly. 4) DRILL TEAM MANAGERS: Julie Poindexter, Eileen Yao, Michelle Iida, Sharon Rowe.

Moor Marching Band Exhibits 'Espirit de Corps'

With a blow of the whistle, a beat of a drum, and a clang of the cymbals, the '75-'76 Marching Band aroused pep and enthusiasm in the hearts of the Alhambra Moors. Enthusiastic Moors Support Activities

The members of Pep Club and Pep Court played a vital role in the support of school activities and spirit. Pep Club, under the leadership of Carolyn Cook during the winter semester and Peggy Iwata during the spring semester, helped to raise school spirit by painting a variety of signs, and leading cheers in the audience at the games.

Miss Pep and her court were selected by the cheerleaders for their enthusiastic support of campus activities. Miss Pep was named for her true school spirit. Karen Kirby was crowned Miss Pep and Tammy Cassanova, Sue Higbee, Janet Iwamoto, and Daphne Yip were named as her court.

JV's Uphold Traditional Spirit

This year, the JV Yell Leaders supported the sophomore football team because of budget cuts which eliminated the JV football team. The yell leaders awarded the most spirited member of the team each week with the honor of being "Soph-Moor Man." The pepsters aroused enthusiasm in the crowd at all the JV games by blending their spirit with sharp routines.

The '75-'76 Majorette, Kendis Okazaki performed solo routines with flair and style at all games and rallies. Kendis attended summer camp for cheerleaders at Loyola University along with the JV's and the rest of the Pep Squad.

New Director, New Incentive Inspires Singers

Under the direction of the newly appointed director, Mr. Lutz, A Cappella Choir started the new year with a fresh start. Among the many activities throughout the year, none could match the annual Idyllwild retreat to the mountains. Many long hours of dedicated work in planning candy sales and various other fund-raising events paid off with a rewarding and exciting trip. Caroling down the streets of Alhambra gave spirit and joy to one and all during the holiday season. Choir kept up its tradition of being a fine choral group by performing in many concerts throughout the community. Chamber Singers, whose members were picked from Choir, showed a fine blend of voices and dedication throughout the year by performing at many festival competitions and community concerts.

Orchestra Enhances Community Productions

At each orchestra performance, a hush descended upon the audience with the wave of the conductor's baton. Led by their maestro, Dr. Sheridan, the orchestra participated in several activities throughout the year which included performances at AHS's school play, "Our Town," the Christmas assembly, and the Winter and Spring concerts. The musicians arranged a talent show on October 30 to raise funds for their annual Idyllwild retreat at USC. The AHS Orchestra ended the year by performing at the Baccalaureate.

Spirited Actors Present 'Our Town'

During the months of October and November, cast members rehearsed under the direction of Lanny Watkins for the AHS production of Thornton Wilder's *Our Town*. Many dedicated hours of work by actors, actresses and behind the scenes workers, paid off with three stunning performances on December 4, 5 and 6. *Our Town* reached into the past of America and brought forth a way of life which is lost in our present turmoil. It is a story of love, death and the final realization of life. The unconventional staging of the play allowed the audience to identify with the characters and become personally involved with the production.

1) Howie Newsome affectionately motions to his horse as Si Crowell intently looks on - "Gid-Ap Bessie." 2) Gossiping ladies chatter about local town scandals. 3) The Stage Manager leisurely observes the proceedings in "Our Town." 4) George and Emily affectionately gaze at one another before the final wedding moment. 5) Mrs. Gibbs and Mrs. Webb discuss their children's wedding affair.

Captivated Audience Views 'The Male Animal'

This year's All School Play, "The Male Animal", by James Thurber and Elliot Nugent, was heralded as an excellent high rated comedy. Combining wit and satire with pure and simple farce to accentuate the basic theme concerning the ageless domestic War between the sexes, Thurber and Nugent added comedy and humor to a basically serious and important theme. Under the direction of Lanny Watkins, cast members particularly enjoyed rehearsing because of the comic nature of the play and the fun which was shared among the cast members. Four stunning and hilarious performances were given on April 23,24,30 and May 1. Because of the excellent acting and humorous nature of the play, each performance had the audience laughing uncontrollably in their seats, absorbing each bit of wit and satire embodied within the play.

Audience Partakes

Teachers, students, members of the community, and people generally interested in the theater, composed the 1975-76 Alhambra Players who diligently rehearsed day by day to perfect their performance of the musical, *Godspell*. Under the direction of James McClure the Alhambra Players displayed their talents in singing, acting, and dancing on the nights of November 21, 22, and 23 for the audience present in the Little Theater at AHS. The use of crazy colorful clownlike costumes and make-up contributed to the fun and frolic of the entertainment and modernized the depiction of the life of Jesus Christ according to the Gospel of St. Matthew. An interesting aspect of the production was the way in which the performers involved the audience in the play.

Writers' Guild Focuses Talents on 'Obbligato'

The *Obbligato*, Alhambra High School's fine arts publication, was the major focus of Writers' Guild, AHS' fine arts organization. The magazine, which includes selected short stories, poetry, sketches and photography is composed of work done by AHS students. Writers' Guild screens the material, creates the layouts, and edits the *Obbligato*. This year the staff used a more objective approach in screening prospective material. Each work was chosen for the magazine without knowledge of its author. This new approach aided in obtaining a wider student representation than in past years.

MOOR Staff Excels Despite Budget Cuts

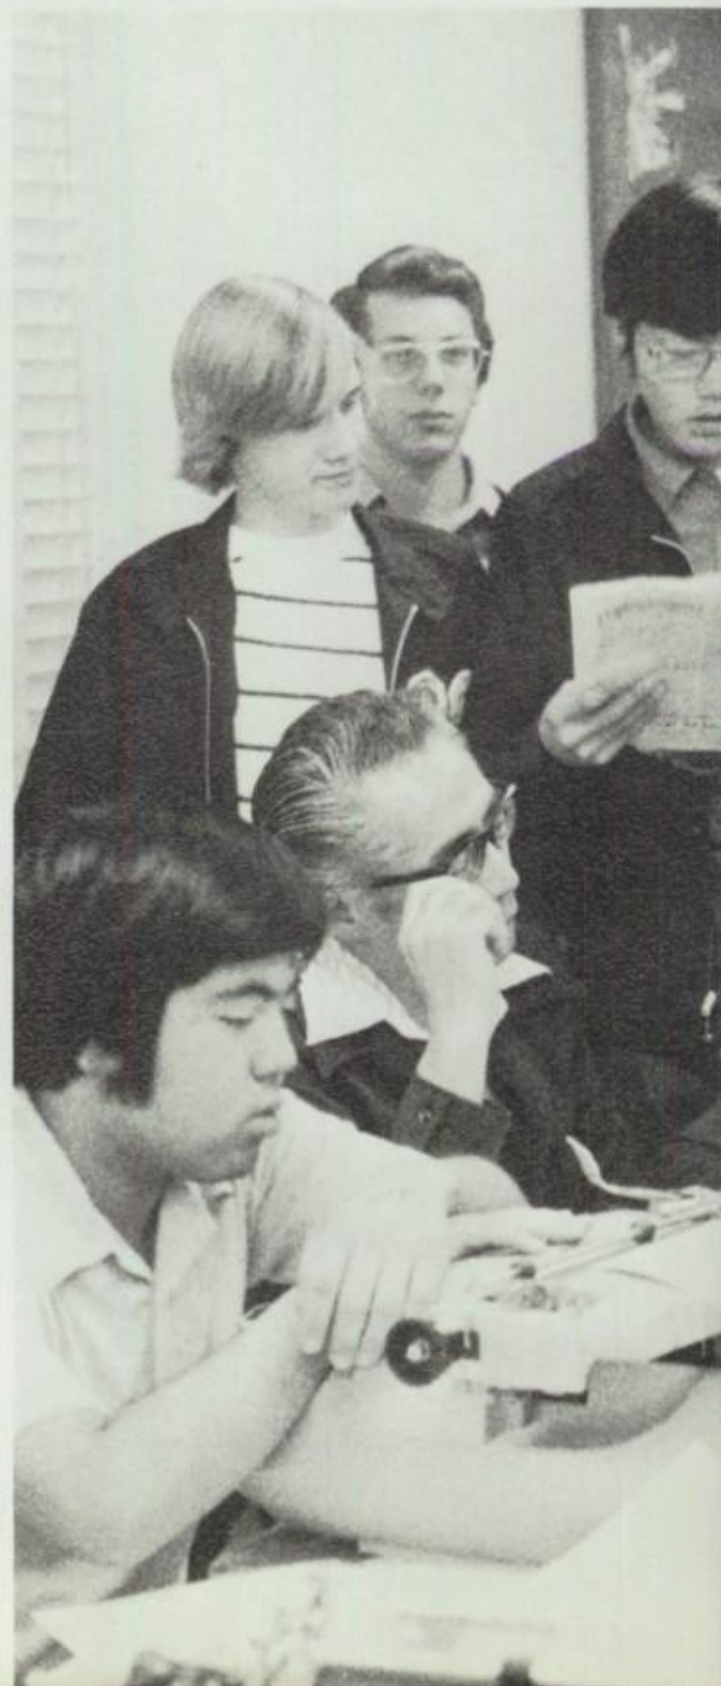

Although the 1975-76 MOOR Staff proved to be the messiest in journalism history, the staff and advisor, Ted Tajima, once again managed to produce the newspaper each week. Staffers could be seen furiously pounding away at their typewriters the day after deadlines while thrashing away amid garbage and paper.

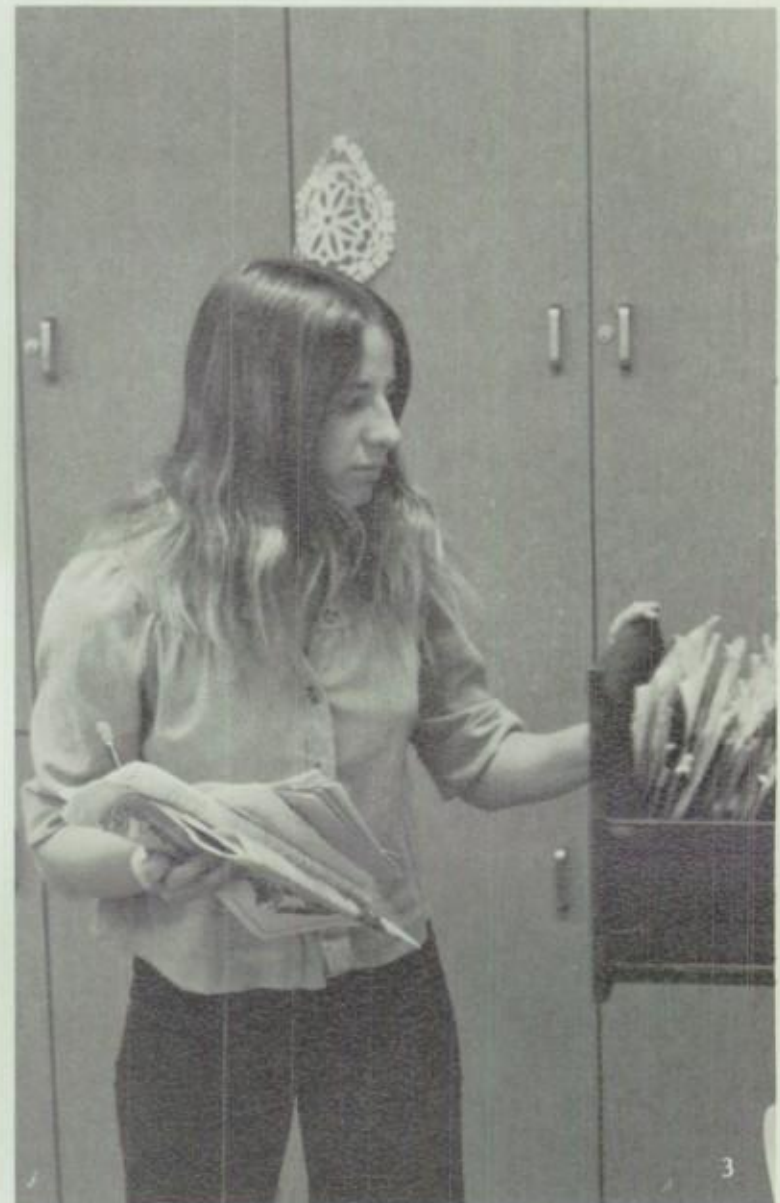

Despite budget cuts the MOOR Staff put out six page papers with several articles focusing on school board policies and AHS alumni. Many inches of copy were spent reassessing student government at Alhambra High through editorials.

Not all efforts were directed toward the newspaper, however. Scholarship applications, frisbee contests, and Junior Mints also occupied the occasionally feeble minds of editors and staff members alike. Excursions into the boys' and girls' restrooms were also conducted.

MOOR STAFF: Chris Anthony, Phil Baca, Cami Blancheri, Grace Brosnahan, Sue Buchany, Kim Carpenter, Bernice Fong, Elinor Fong, Linda Gore, Chuck Harrison, Susan Holt, Steve Jacobsen, Ann Katzmann, Steve Lin, Gabriela Marangone, Anne Martinetto, Melissa Martinez, Barbara Nelson, Jeff Nomura, Michael O'Neal, Vic Pherreigo, Norman Quan, Lorraine Reyes, Mike Rogers, Russ Romero, Henry Rosenthal, Chris Shambra, Ken Taira, Susan Takei, Susie Weitzman, Tom Weyermann, Gayle White, Judy Wong, Cynthia Woo, Yuko Yamaguchi, Leland Young, Karen Yukawa. Yearbook Reflects Nation's Birthday

Fear and terror clutched the hearts of *The Alhambran* '76 staff members as page deadlines haunted D1. Throughout the year, each member labored to piece the yearbook together, page by page.

The editors-in-chief attended a yearbook camp in Santa Barbara during the summer to study techniques and styles to compose an annual. The editors of each section took part in a conference at San Gabriel High School to obtain ideas for the book.

The nation's bicentennial added a note of commemoration to this year's annual. The theme of celebrating interaction, involvement, and inspiration was carried throughout the pages of the annual.

Debaters Collect Trophies, Travel Time

This year's Debate Team competed in twenty-three tournaments throughout its season of competition and showed the traditional excellence of Alhambra debate by winning over one hundred trophies. A high degree of spirit and dedication was evident among the Alhambra participants in their traveling to competitions as far as San Francisco, San Diego, and Tempe, Arizona. Bicentennial debate topics helped Debate Team members celebrate and commemorate our Nation's two hundredth birthday in an educational manner. The highlight of the year was the sponsoring of the National Qualifying Tournament at AHS on April 22, 23, 24 where students from all over the Southland came to compete against one another for national ranking.

The very successful committee consisted of Pat Almendarez, Tina Baker, Therese Caropino, Lynne Hoshide, Daniel Lim, Joe Lopez, Trina Norgard and Marc Shishima. Advisor Mr. Larry Spence and a faculty committee of Mrs. Susan Cox, Mr. Larry HasBrouck, Mr. Martin Miller, Mr. Duane Nichols, Mr. Jim Petrini and Miss Sophie Webb helped greatly in the Worthwhile project.

Gag gifts were then given out by Santa Claus, to add to the merriment. The A Cappella Choir sang carols to the accompaniment of the AHS Orchestra putting the audience in a festive Christmas mood. JV's Capture Second Place Frosh-Sophs Impress League

The Junior Varsity squad had quality runners but lacked the depth of previous teams. The harriers finished 6-2, losing only to two championship teams-San Gabriel and Arcadia. Ron Piccirillo, Luis Dúran, Jeff Nomura, Jose Moreno and Mitch and Mike Moore paced the 1975 squad. Highlights of the season were a second place finish at the Mt. Sac Invitational and a first place finish in the Pacific League Finals.

The Frosh-Soph Cross Country Team posted a fine 7-1 season record. All victories were won by large margins, but the team was unable to repeat as league champions. Injuries Plague Varsity Gridders

Facing extremely tough competition, the 1975-1976 Varsity Football squad finished with a misleading 2-6-1 record. Plagued by untimely injuries, the team faced six opponents that ultimately reached the CIF playoffs. The junior heavy squad matured as the year wore on, however, and beat Pasadena, a team previously undefeated in its seven years of Pacific League competition. Serving his first season as head coach, Emmett Menasco along with his assistants Bob Bria, Joel Kirsch, and Gary Neeley, performed a remarkable job, bringing the team to within one game of the CIF playoffs. Outstanding players for the Moors were Tony Regalado, Cedric Glover, and Kevin Zimmerman, the coaches' MVP. The defense was lead by soph linebacker Joe Hiti and the players' MVP, Paul Ortega. With thirty returning lettermen, the Moors promise to be potential title contenders.

1) First team all-league running back Tony Regalado, the Moors' leading ground gainer, twists for extra yardage against stubborn opponents. Only a Junior, Tony returns next year to continue Alhambra's tradition of outstanding running backs. 2) Potent Moor offense, led by quarterback Scott Ingraham, prepares to attack defensive opponents enroute to thrilling 22-20 victory over Pasadena. 3) Moor backfield works together as running back Tony Regalado awaits a block by Cedric Glover on a would be tackler, while Sophomore quarterback Brian Apodaca backs up the play. 4) Center Jim Ewert escorts super-soph fullback Joe Hiti downfield for 17 big yards and a first down. 5) VARSITY FOOTBALL-FRONT ROW: G.Cristiano, M. Sophs Conquer League; Freshmen Flounder

Characterized by a devastating running attack and a strong defense, the 1975-76 Sophomore Football Team overpowered their opponents to capture the Pacific League title. After losing three of their four preseason games, Coach Phil Keathley masterfully turned the team around to a spectacular 4-0-1 league record. Bill Sosi was named Most Valuable Player for his outstanding performance throughout the season.

The freshman gridders played a spirited game but fell to a 2-7 record because of their lack of offensive punch. Initially the team keyed on a running game with the brunt of the attack on the quarterback Steve Vermuelen and running back John Aranita, but they soon found it necessary to resort to a passing game.

Coach Petrini also cited Darrel Williams and Anibal Matos as outstanding, but stated that lack of depth led to the team's low finish.

Starting slowly with a 3-3 pre-season record, the JV matmen showed great improvement in league play with an excellent 4-1 record. Led by Sophomore Rick Moreno and Juniors Wade Hall and James Eto, the extremely young and talented squad will provide excellent material for future varsity teams.

The 1975-76 JV Soccer team finished the season with a 6-4 league record, losing only to Pasadena and Arcadia twice. INTERACTION

Celebrate people, from the inexperienced freshman to the accomplished mentor.

Like frail strands of a length of string, individually they are weak and will break, but together they are strong and powerful. This feeling of togetherness has greatly strengthened AHS and has given it the ability to achieve where others have not. Celebrate interaction . . . Celebrate being a part of the whole.

Music

Hampered by the shift in personnel and a shortage of funds, the Music Department was in a period of adjustment. Since no new courses were offered, the program was basically the same as usual with many classes involving both the instruction of instruments and the ability to read music. Among the many activities of the talented orchestra and choral groups were the organization of a talent show to raise funds and several concerts and performances throughout the district.

Speech Drama

The Speech Department continued to provide a wide spectrum of learning through its expanding curriculum. Through the department sponsored Forensic Debate Team, students were able to compete against other schools. Those taking drama were able to perform in the Children's Theatre and a one act play festival or the play *Our Town*. Students taking television production were introduced to the field of the television media.

Foreign Language

In addition to the normal emphasis upon dialogue and composition, the Language Department this year stressed the understanding of the cultural background of the region of the language.

As usual, headphones, microphones, and language tapes were used along with a geographical map of the country studied.

Several courses were dropped as a result of budget cuts, but the Language Department was still able to maintain a high degree of excellence in its instruction of Spanish, French, German, and Latin.

Industrial Arts

The offered courses in the Industrial Art Department provide students with exploration into the industrial world of work. These enriching experiences enable one to acquire knowledge and skills useful in university training, full time employment, and leisure time pursuits. Many depart from Alhambra with enough training to qualify for the job entry level vocational skills.

Both the curriculum and class room facilities are constantly being improved to keep pace with the ever widening realm of industrial technology.

Art

Although the budget cuts had hit very hard, the Art Department was still able to carry basically the same program this year as well as in previous years. In addition to basic art, jewelry, pottery and other courses, leathercraft, normally offered during summer school, was given for the first time during the school year, despite a lack of both funds and resources. Larger classes caused some difficulties when coupled with shortages of materials, but the problems were overcome when the department became more frugal and cautious with art supplies.

Mathematics

The large number of students in upper division mathematic classes such as Algebra Trigonometry, College Math, and Calculus are an indication of the success of the Math Department program.

Although Math Seminar, a course involving advanced calculus, was not offered this year because of budget cuts, many students took classes at Cal State Los Angeles for their fifth year of math. With the available resources and funds, the Math Department was still able to offer a wide range of courses that catered to the needs of the various students.

Health

The Health Office of Alhambra High School handles over fifty students each day with problems ranging from injuries and illnesses to minor scrapes and cuts. A Registered Nurse is always present to handle most difficulties, and a doctor is available many times during the year. All vision and hearing tests are conducted at the Health Office as well as all physical examinations needed for athletics. Mrs. Pehoushek is frequently used as a resource for students on health related studies and also serves as a consultant to teachers.

Physical Education

Both Boys' and Girls' Physical Education Departments were expanding to meet the needs of the students. There were several changes in the curriculum. Currently, the Boys' Physical Education Department has changed its program and has combined the tenth, eleventh, and twelfth grades together in the same class for more choice in the activities. The Girls' Physical Education Department has also joined the Junior and Senior Classes together for the same reason. With the combining of the grade levels, the entire department can offer more selection in the areas of instruction.

Social Science

The Social Science Department is currently updating the courses of study to suit more adequately the needs of the ever changing student body, and to give the faculty greater flexibility in assignments.

The Department is presently in the process of expanding and re-organizing the Social Science Office and Workroom into a multi-media center. The center will enable students and teachers to have easier access to department films, books, papers, etc.

Aural Education

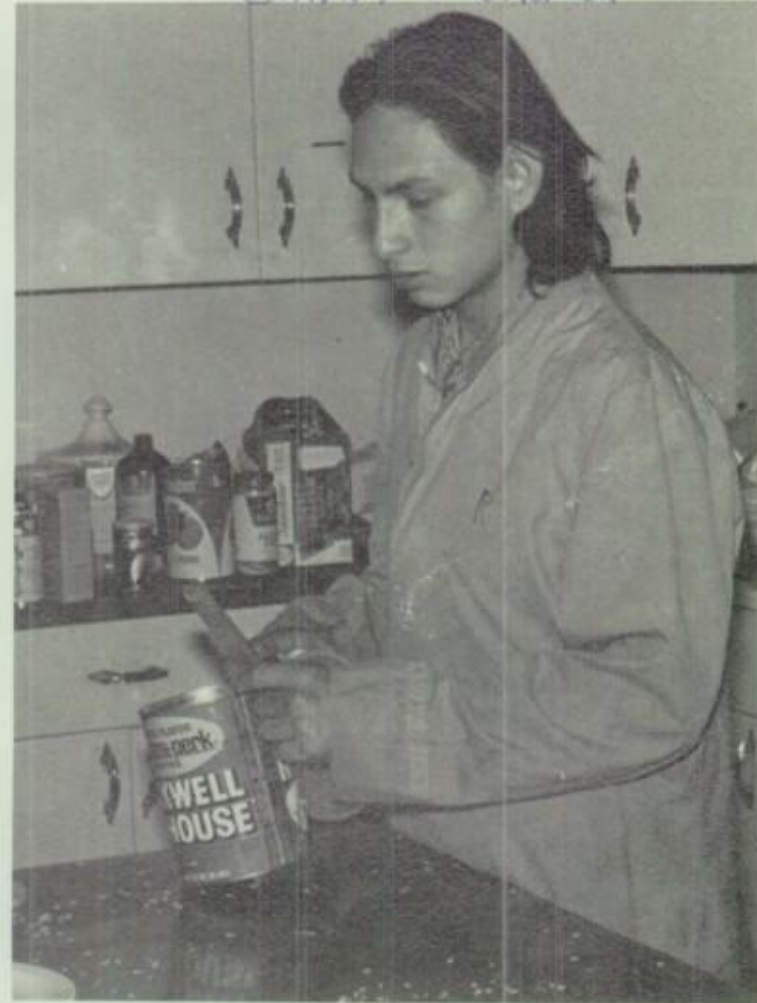

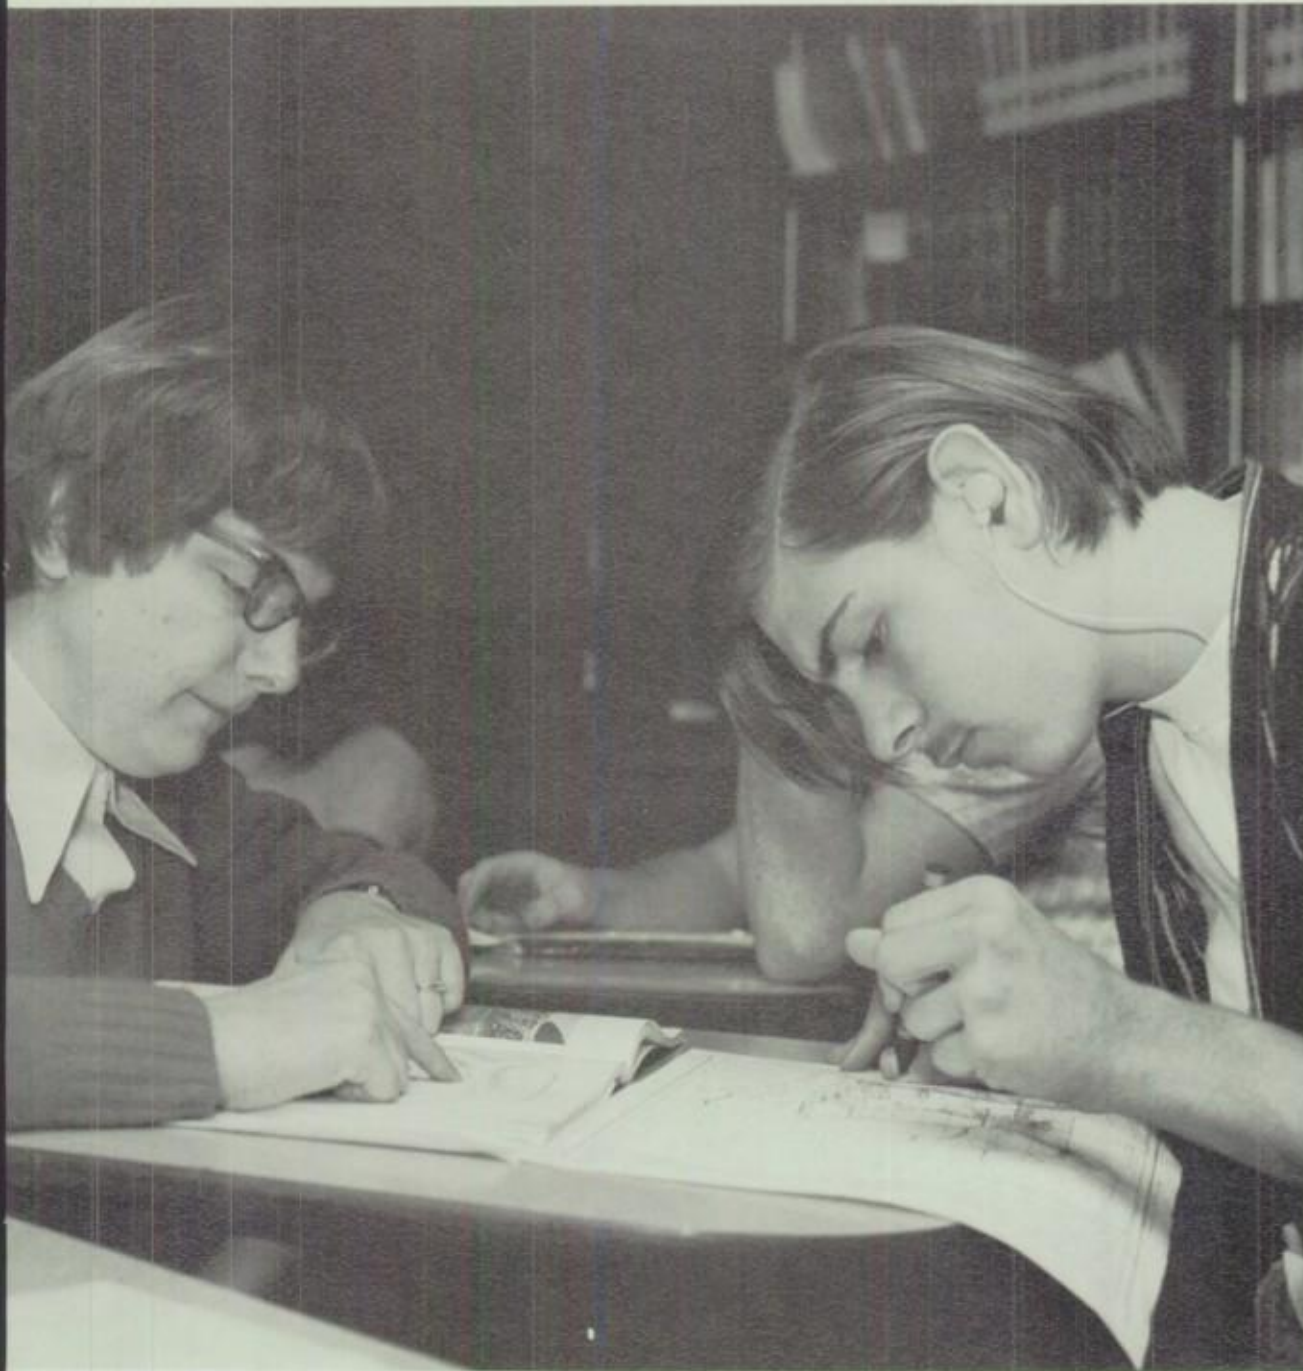

The main goal of the Aural Education Department is to promote the assimilation of the deaf and hard of hearing into post high school life. The classes include basic math, science, English, and social science courses; and if the students wish to take electives, they must enter regular classes. Many have joined the ROP program and are learning vocational skills. The program is receiving a large boost from the participation of regular students who tutor the students in the program.

Special Education

As a result of the recent expansion of the Special Education Department, English as a Second Language, Educationally Handicapped, Educable Mentally Retarded, and Individual Studies have been combined into one heading. The combining of these departments enable the teachers to exchange ideas and materials with greater ease, increasing the scope and interest of the courses taught.

Library

The twenty-five students enrolled in library practice gained valuable experience dealing with the over 1200 people who frequented the AHS Library each day. Many students were accepted for jobs in public and college libraries after completion of the course. With the recent acquisition of the Spartan Book Detection Machine, there has been a considerable decline in the theft of library materials. A ninety percent decrease in stolen property has been estimated since last year. Affectionally known as the "beeper machine," the book detection device has proven to be a great asset to not only the librarians but also to the district funds.

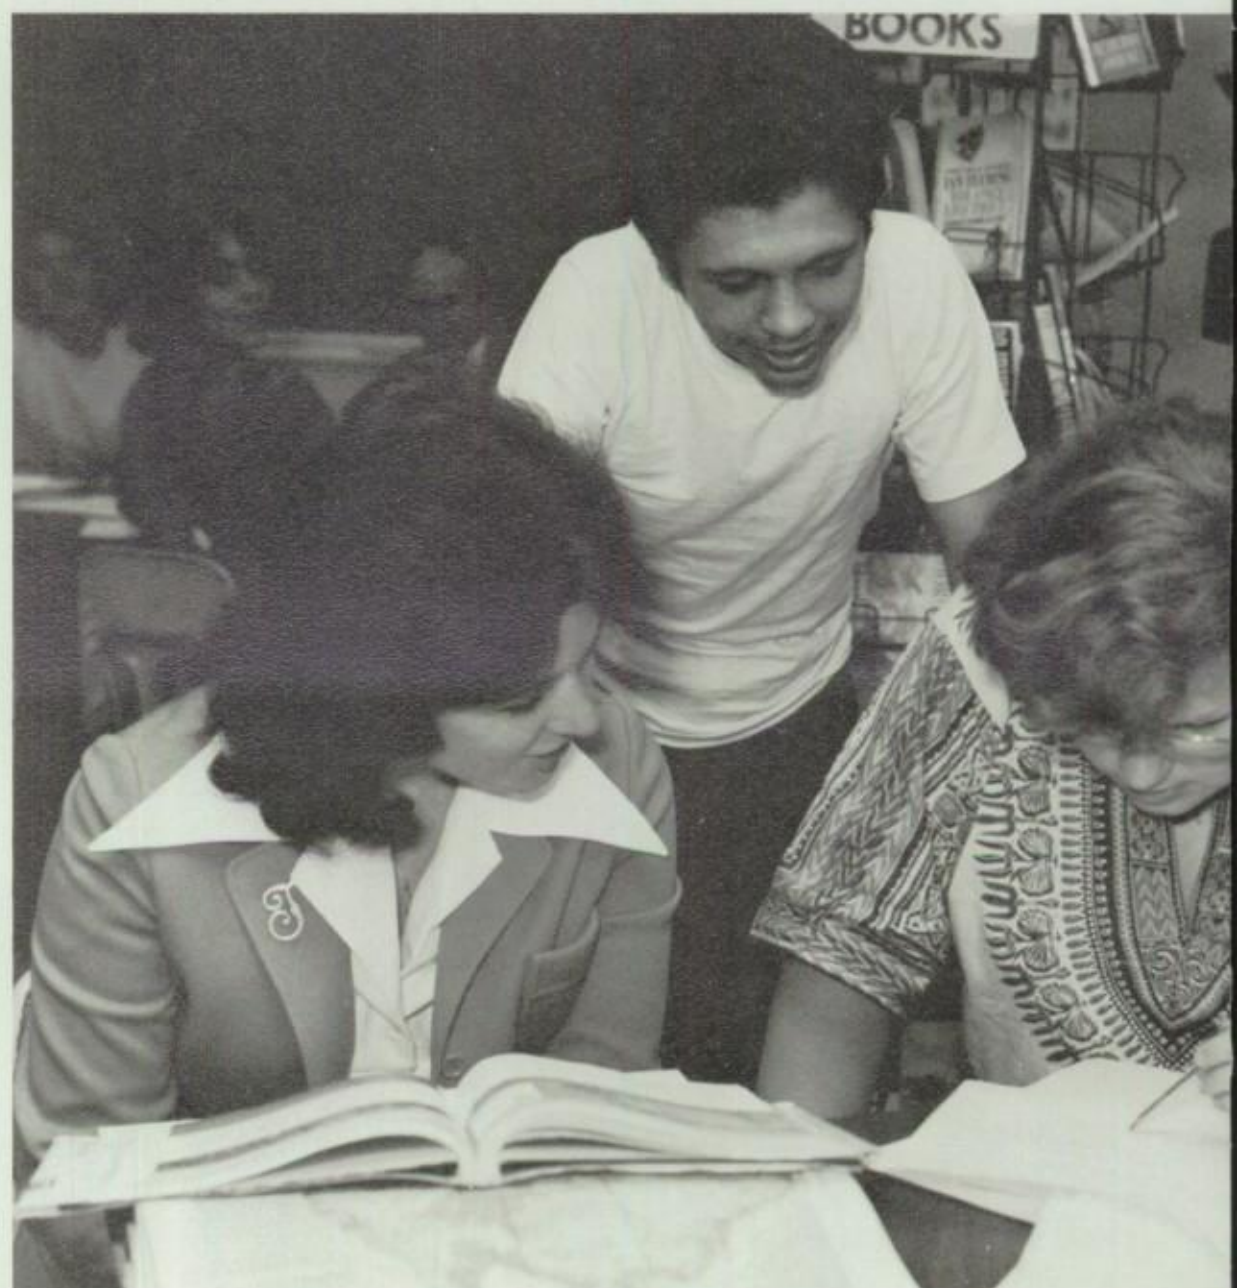

English

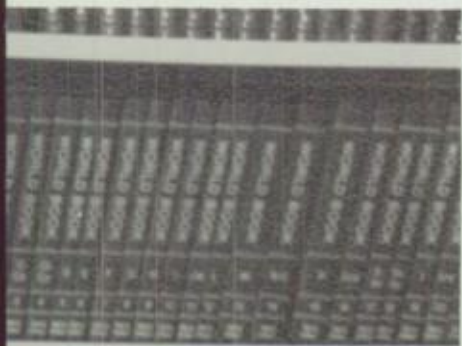

With the revision of existing courses and the addition of numerous new materials—the English Department is currently operating under full capacity.

Especially noteworthy has been the increased interest in the various electives.

American Drama, the study of American plays, has been added to the wide choice of electives, along with an additional creative writing class.

Currently there are 101 sections of English varying in content and ability level; and many upper division students are taking more than one elective in the department.

Science

The current limitations of space, equipment, and funding are the greatest deterrents to the expansion and diversification of the Science Department. These obstacles have not halted the department from functioning at full capacity in all laboratory courses. Paramedical Technology, in its second year, was offered again. It was basically a vocational course teaching students to take blood pressure, handle surgical instruments, and administer first aid, in addition to emergency medical treatment. Students who pass the course can be certified as paramedical technicians and many receive a license by passing a test given by the Los Angeles County.

Consumer Family Living

The Consumer Family Living Department offered a wide variety of courses this year. The large number of students enrolled was attributed to the opening of coed courses. The focus of the department was to help students adjust to after-high school life by involving consumerism into each course offered. Students, who learn about marriage, parenthood, and the management of funds, were provided with a substantial background in the area of consumer family living. Other classes included the study of clothing, foods, and vocational skills.

Work Experience

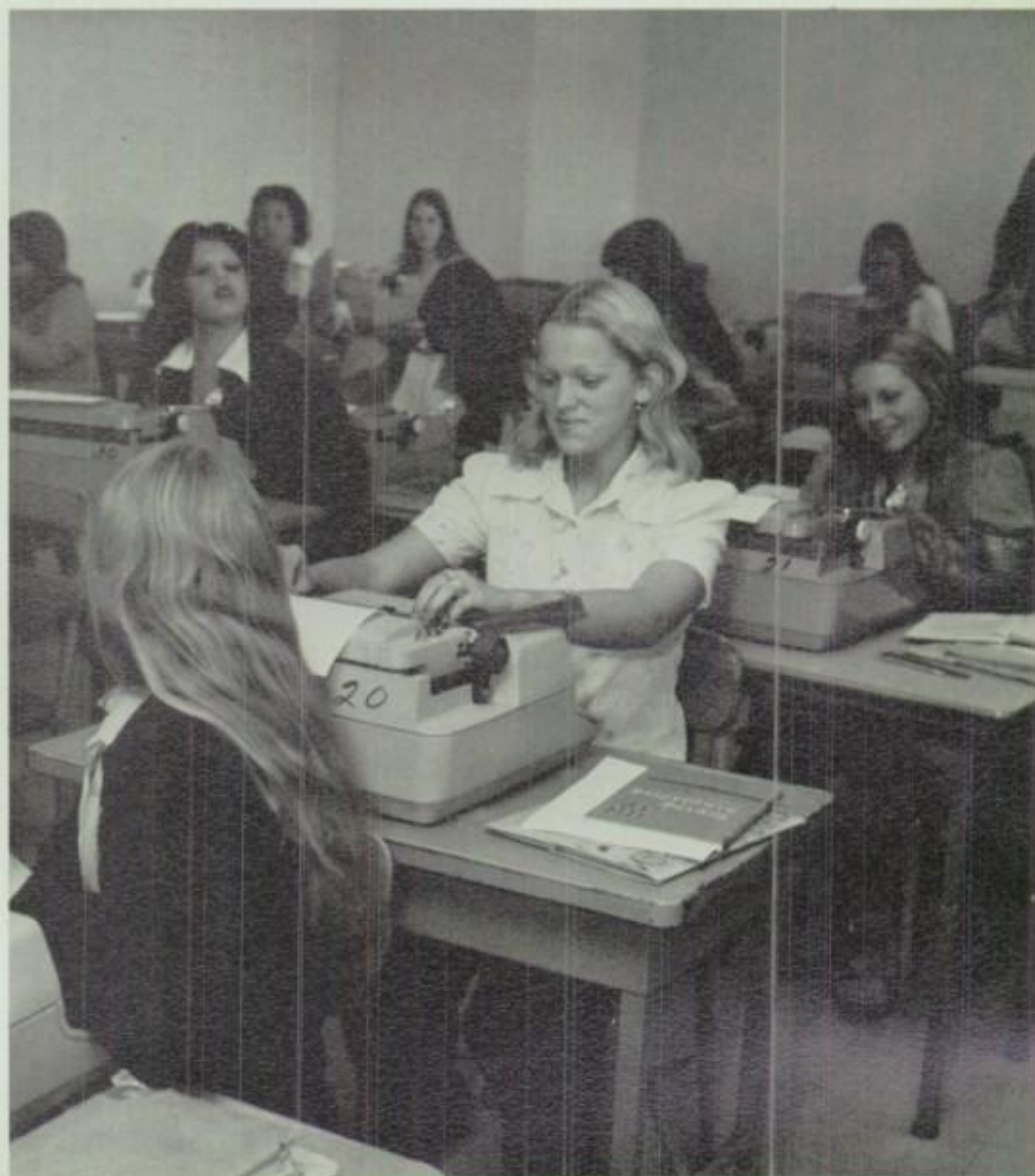

The Career Guidance Center consists of various Work Experience programs with the outside community. Job preparatory courses, summer contract jobs, and a government funded program are but a few of the Career Guidance activities conducted by the Work Experience office and staff. Not only a student job placement center, the office serves as a career information library to all students. The Work Experience Trailer, located on Third Street, is open throughout the entire year.

Business Education

The typing, shorthand, bookkeeping, business correspondence, and office machine courses were again offered by the Business Education Department as classes suitable for the business field. Aside from the courses already named, Alhambra had the distinction of being the only school in the district that offered machine shorthand this year. Machine shorthand is a vocational course that can lead one to a career as a court reporter or even as a general and legal secretary.

Alternative School

Variety, stimulation, and enjoyable classes were the keys to the success of Alternative School in its second year at AHS. The students were able to have a greater voice in what they wanted to learn and were able to study at an individual pace. The students, who planned a Kern River-Lake Isabella four day camping trip, were able to experience the freedom of the outdoors and gain familiarity with their surroundings. With the greater expansion of study topics and a continuing innovative philosophy, students benefited from a great deal of individualized instruction and curriculum.

Board of Education, Cabinet

The Board of Education members are responsible for all policy making in the Alhambra School District which incorporates Alhambra High School. Elected by the voters of Alhambra and Monterey Park, they govern the district and control all financial and business transactions.

A recent decision by the Board designated physical education optional for twelfth graders next year. The student liaisons provide the necessary channel through which students can voice their ideas on pertinent issues to the Board of Education. Actually serving on the Board in a rotating fashion with liaisons from Mark Keppel and San Gabriel High Schools, they hold all privileges reserved for the elected members except for voting.

Highest Honor Identifies Senior Excellence

This year twelve outstanding seniors attained the honor of Los Laureados, the highest achievement which may be earned by any senior at AHS. To be eligible for this honor the senior must have attended AHS for at least three years and maintained at least a 3.0 GPA. These exceptional students were chosen for this honor on the basis of leadership, citizenship, and scholarship. These senior leaders were recognized at the March fifteenth assembly and each was presented with a gold pin. A permanent display of plaques inscribed with the recipients' names was placed in the Student Government Room to commemorate the Los Laureadean Society.

Student Merit Commendation; Gather Civic, Student Awards

The Civitan Club of Alhambra honors ten senior students each year with a Junior Civitan Award. The selection of each month's winner is processed by the Guidance Department. One student is chosen at the beginning of each month, from October through June, on the basis of high school, church and community service.

This year the Girls' League Creed Award selection process was greatly improved. AHS girls were asked to fill out nomination applications for the girl that they thought provided service to her fellow students, showed unselfishness, and demonstrated positive personality traits. This new selection process enabled the Girls' League Board to broaden their awareness of girls on campus to give every girl at AHS the chance of being named a Girls' League Creed Award Winner.

Lloyd Hasegawa was awarded the Doc Higgins Trophy for being the most outstanding service club president of the first semester.

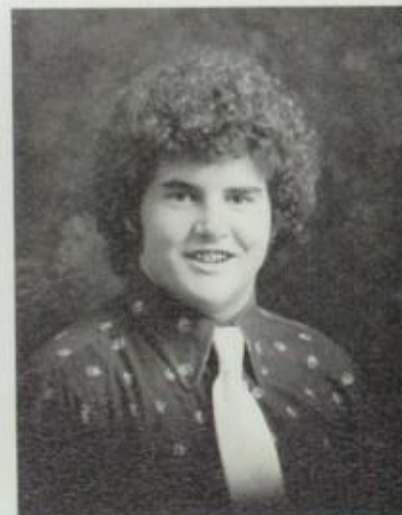

The National Merit Federation this year honored two National Merit Finalists and six Letter of Commendation winners as scholars for superior scores on the PSAT/NMSQT test. The Competition included students from high schools in the entire United States.

Once in Two Hundred Years: Spirit of '76

This year's Senior Class Council celebrated homecoming by selling "Spirit of '76" helium balloons. They raised school spirit as the balloons were seen everywhere on campus advertising the big game. Funds earned, helped the council to purchase the senior class gift to the school. Under the direction of advisor Mr. James Tedford, the Senior Council members, Cindy Gee, Lloyd Hasegawa, Kurt Hirata, Tammie Katayama, Karen Kirby, Gail Mar, Sherri Nishikawa, Dan Trapp, and Eric Wong, organized the senior Grad-Night party.

1) Sherri Nishikawa promotes school spirit during homecoming. 2) Senior class president, Karen Kirby. 3) Senior class advisor, Mr. James Tedford. 4) Senior council members discuss plans for Grad-Night.

Alhambra Community Celebrates Bicentennial

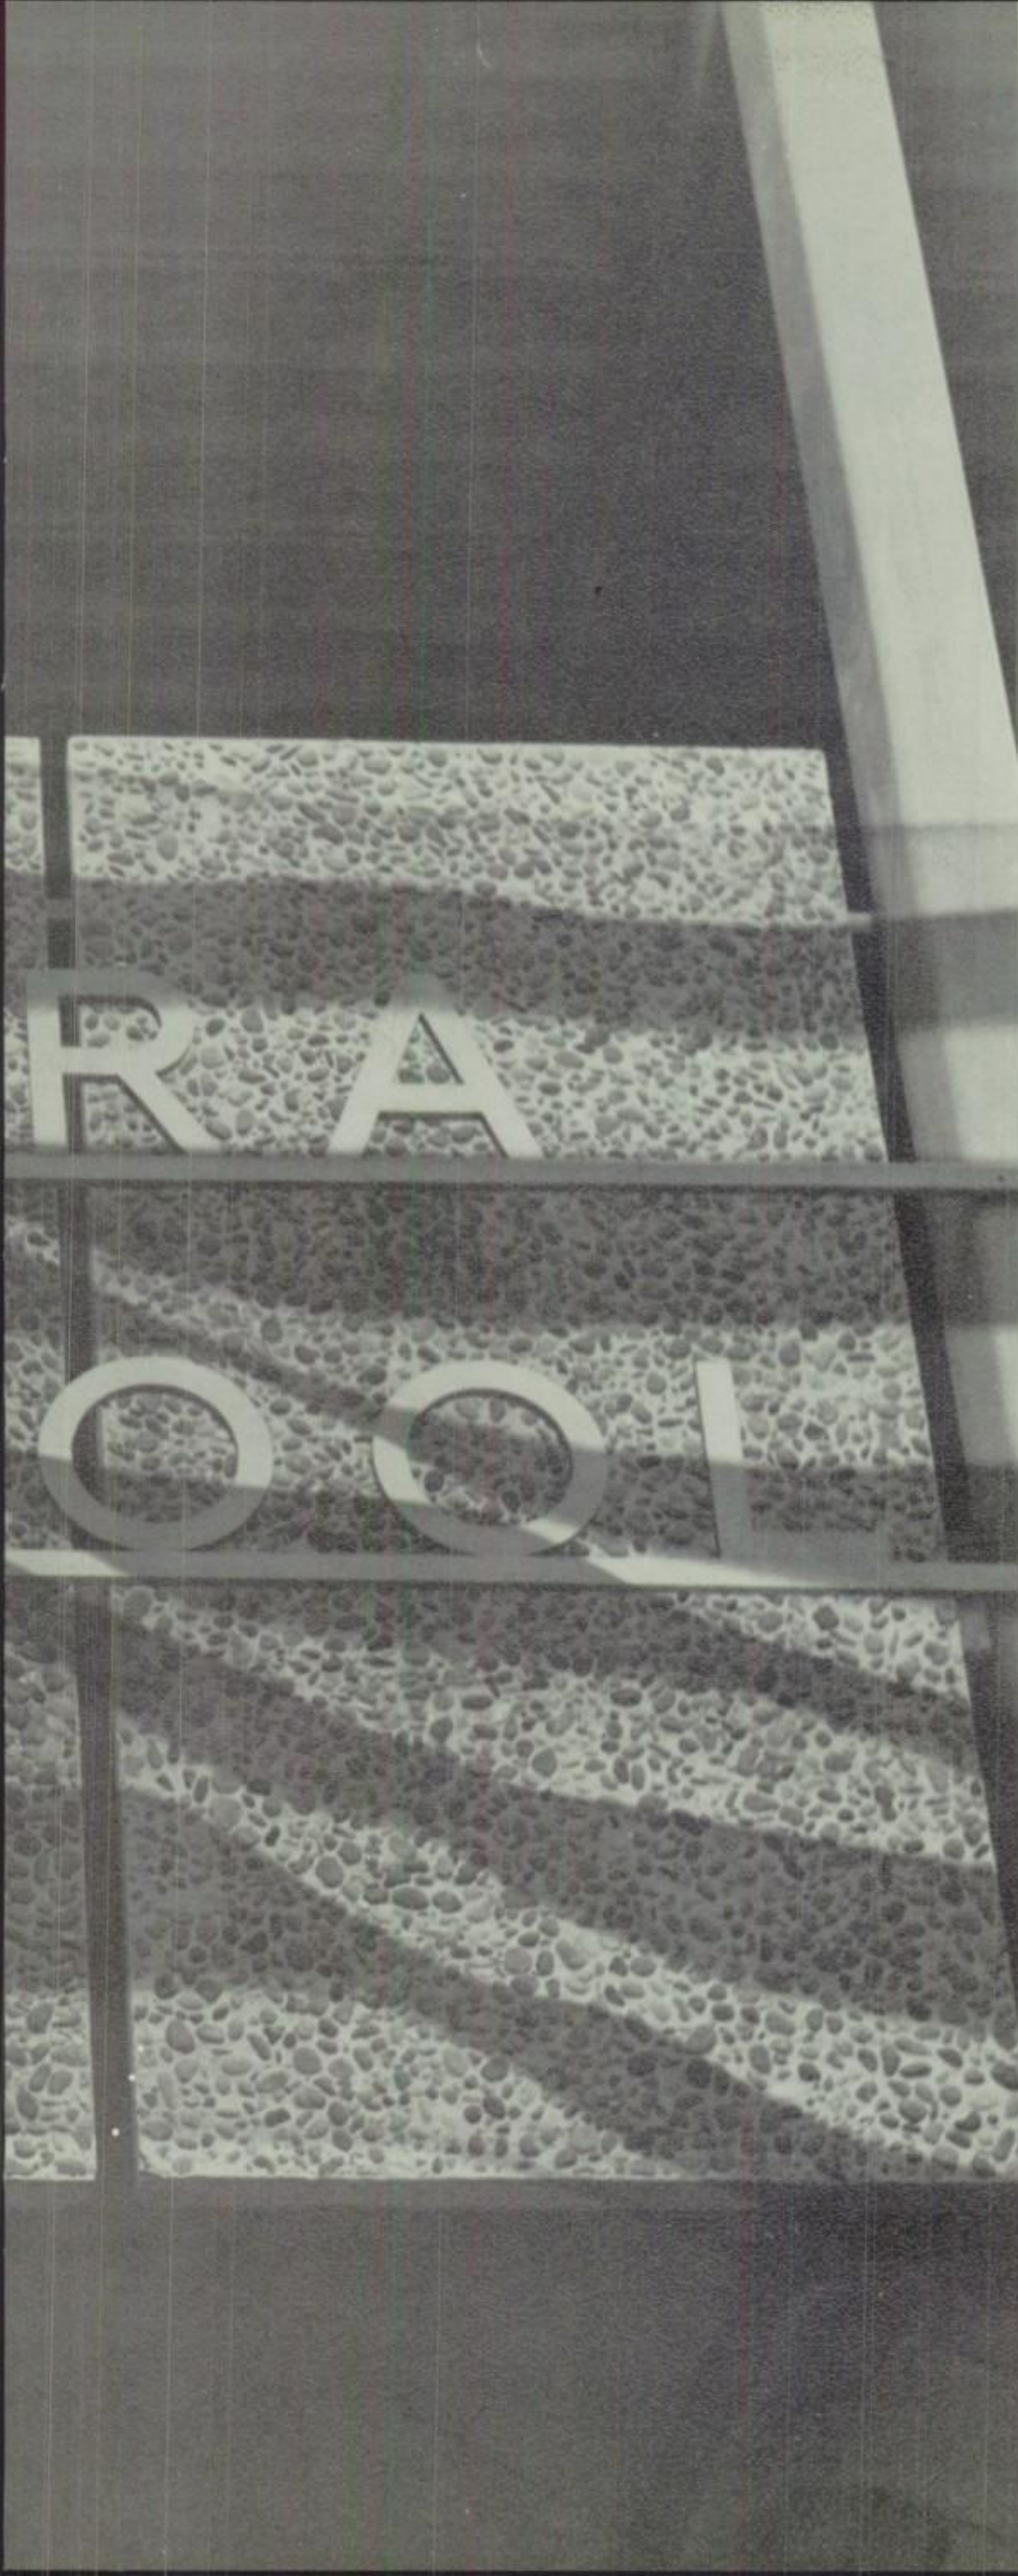

Alhambra High School manifested its celebration of the Country's Bicentennial with activities focusing on every aspect of AHS life. The Homecoming game halftime activities, in keeping with the "Spirit of America" theme, included a Yankee Doodle Dandy routine by the drill team and band and a patriotic dance routine performed by the songleaders. The fall Commission sponsored an after-game dance, and the Queen and her court danced amid a flurry of flags, balloons and confetti. Cafeteria workers, also getting into the Spirit of '76, dressed in red, white and blue while the Senior Class Council sold '76 balloons.

Numerous campus organizations held fund raisers and patriotic dinner socials. Alhambra's Tri-Hi-Y Prexy Council sponsored an orientation centered around the American spirit, to acquaint freshman girls with Y clubs. The Debate team hosted a Bicentennial Invitational for debaters in all of Southern California. Even the mid-year elections of Commission officers carried the theme of the "Spirit of '76".

The Alhambra Library and Historical Society acquired various exhibits and displays in connection with both the Country and Alhambra's history, for the benefit and enrichment of the AHS students. Various civic organizations held American cultural appreciation programs and Bicentennial youth dinners. In many different ways, the Alhambra High School community celebrated the Country's bicentennial birthday.

Celebrate

Celebrate Involvement, Inspiration and Interaction.

Involvement; It holds a different meaning for each person. Although an individual, one must also participate within society, though to the degree of his personal interest. Celebrate being a part of AHS-be involved.

Inspiration; It motivates both team members and individuals alike to either work together to achieve a similar goal, or gain incentive from within. It applies to both groups and individuals as the meaning is the same. Celebrate self motivation and group influence-be inspired.

Interaction; It is the base from which understanding can grow. All factions of the AHS student body and faculty can learn through interrelating. Celebrate interaction-be a part of AHS.
